SAMUDRA News Alerts

SAMUDRA News Alerts is a free service designed
to deliver news reports and analysis on fisheries,
aquaculture and related issues, on a daily or
weekly digest basis, in plain text or HTML format.

The service often features exclusive, original
stories on small-scale and artisanal fisheries,
particularly in the regions of the South, as well
as issues that deal with women in fisheries and
safety at sea. Apart from news and stories on
fisheries, the service also focuses on environmental
and oceans issues. Please visit <http://www.icsf.net>
