

## The Philippines ICSF Project

### Outcome:

The SSF Guidelines are integrated into policies and laws governing the small-scale fisheries sector at the national level.

### Activities:

- Compilation and review of major policies and laws governing the small-scale fisheries subsector in the Philippines
- Benchmarking of the Philippine policies and laws governing small-scale fisheries with the SSF Guidelines components
- Compilation and review of existing fisheries programs and policies related to natural disasters and climate change
- Consultation with government agencies engaged in the SSF subsector
- Consultation with major stakeholders on identifying challenges to participation in food security and poverty eradication
- Development of strategies towards implementation of the SSF Guidelines in the Philippines
- Consultation workshops with government agencies on mainstreaming of the SSF Guidelines towards greater participation of small-scale fishers in food security and poverty eradication
- Capacity building for national and local implementers of the SSF Guidelines
- Identify strategies for advocacy and implementation of the SSF Guidelines at the national level
- Targeted information, education and communication (IEC) for key government agencies engaged in the implementation of policies and program governing the SSF sector

### 1.3 Workplan and Timeframe (Duration)

The project will be completed over a period of a maximum of eleven months, after signature of the present Agreement by both parties, as indicated below:

Expected activities	Required completion date	Status
1) Country level activities initiated in your country	30-Sep-18	Consultation with government agencies - July 2018  Consultation with Mindanao stakeholders - Sep 4, 2018
2) Country level activities concluded in your country	30-Mar-19	Consultation with stakeholders a.Mindanao – Sept 4, 2018 b.Luzon - March 27-28, 2019 c.Visayas in May 9, 2019  Consultations with government agencies on mainstreaming - May 2019
3) Country reports prepared		
4) Final report prepared and submitted in word format to ICSF for submission to FAO	12-Dec-19	
5) Final Financial report prepared and submitted to ICSF in Excel format for submission to FAO with soft copy of all outputs	12 Dec-19	

### 2.3a. Work plan and Time Frame

(the service provider has to fill this plan by using a tick mark indicating the duration of the activity. Please keep the non activity months as blank). This will be done by the service provider on or before 30 September 2018, subject to approval and on which the second installment will be released.

Activity	Timeplan													Status
	2018						2019							
	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	
Compilation and review of major policies and laws governing the small-scale fisheries subsector in the Philippines	x			x										Done
Benchmarking of the Philippine policies and laws governing small-scale fisheries with the SSF Guidelines components				x										Done
Compilation and review of existing fisheries program and policies related to natural disasters and climate change	x													Done
Consultation with government agencies engaged in the SSF subsector	x		x						x		x			Done
Consultation with major stakeholders on identifying challenges to participation in food security and poverty eradication			x						x		x			Done
Development of strategies towards implementation of the SSF Guidelines in the Philippines			x						x		x			Done
Consultation workshops with government agencies on mainstreaming of the SSF Guidelines towards greater participation of small-scale fishers in food security and poverty eradication												X		Done

Capacity building for national and local implementers of the SSF Guidelines											x	X		Done
Identify strategies for advocacy and implementation of the SSF Guidelines at the national level											x			Done
Targeted information, education and communication (IEC) for key government agencies engaged in the implementation of policies and program governing the SSF sector												X		Done

## 2.3 b. Performance indicators and means of verification

Activity	Indicator	Means of verification	Status
<p>Compilation and review of major policies and laws governing the small-scale fisheries subsector in the Philippines</p>	<ul style="list-style-type: none"> <li>• Experience of the person preparing the review paper</li> <li>• ToR for the review</li> <li>• Content and coverage of the review paper from the angle of major policies and laws governing the small-scale fisheries subsector</li> </ul>	<ul style="list-style-type: none"> <li>• Progress report to indicate the profile of the person doing the review and the ToR</li> <li>• Detailed report on the review of major policies and laws governing the small-scale fisheries subsector in the Philippines</li> </ul>	<p>A review of all major policies and laws was conducted:</p> <ol style="list-style-type: none"> <li>1. Fisheries Code</li> <li>2. Water Code</li> <li>3.
