Kerala Institute of Local Administration (KILA), Thrissur, Kerala, India

**WORKSHOP ON
SEA SAFETY AND FISHERIES MANAGEMENT:
TRAINING AND CAPACITY DEVELOPMENT OF LOCAL SELF-GOVERNMENTS,
KERALA, INDIA**

*Kerala Institute of Local Administration, Thrissur, Kerala, India
01-02 March 2023*

GROUP DISCUSSION 01

Questions for Discussion

- (i) Do you agree that local panchayats/municipalities have a role in improving safety at sea related to fishing and climate change impacts? If so, what role? Do you have experiences to share?
- (ii) How can local self-government institutions contribute to greater awareness about sea safety?
- (iii) Do you agree that effective fisheries management can contribute to improved sea safety? How can local self-government institutions contribute to raising awareness about fisheries management?
- (iv) How can local self-government institutions improve sea safety preparedness, strengthen community participation and improve coordination across agencies to reduce accidents and fatalities at sea?
