84	Peter Adjei	TESCOD/ICSF	+233561110099

NOTE: The service provider (TESCOD) sent invitations for 20 FWO/SSF leaders for the training workshop. However, more than 80 participants showed up for the programme. Since it is against local custom to send the uninvited participants away, they agreed among themselves to participate without obligation to TESCOD. In line with the LoA, TESCOD covered the transport cost of only 20 participants.
