PROPOSED DRAFT POLICY ON SMALL-SCALE FISHERIES IN GHANA

6TH - 7TH DEC, 2022 ERATA HOTEL, ACCRA

**PROPOSED DRAFT
POLICY ON SMALL-SCALE
FISHERIES IN GHANA**

- 1.2.1 - Anticipate and avoid any adverse impact project activities may have on the rights of fishing communities, their livelihoods and well-being.
- 1.2.2 - Prepare fishing communities to contribute through free prior informed consent (FPIC) and subsequent project planning and development processes that will address priority risks and impacts.
- 1.2.3 - Establish a pool of social, economic and environmental impacts assessment indicators, environmental and livelihood well-being.
